Ref: Your e-mailed open records request, to the Mesa County Sheriff's Office, dated August 16th, 2012, asking for documents pertaining to the MCSO's use of drones.

Dear Mr. Musgrave,

On 08/16/12, I attempted to respond to your e-mailed CORA request, via e-mail, at the address from which you sent the request. Today, I found my e-mail response to you failed, as the message was undeliverable. A printed copy of the e-mail I attempted to send you as well as a printed copy of the delivery failure are enclosed.

In any event, as stated on our website, the Mesa County Sheriff's Office does not accept CORA requests via e-mail (this instance would be an example of the reason for this policy). We only accept CORA requests via US mail or in person, at our front counter, during regular business hours. If you wish to submit your request through the US mail then please send it to the following address and you may send it directly to me:

Mesa County Sheriff's Office
Attn: Sgt. Art Smith
215 Rice St.
Grand Junction, CO 81501

In terms of fees, I anticipate there will be a fee associated with the response to your request, however, I do not have an estimate for you at this time. The fee would be estimated once we have received your request through the mail or in person.

Respectfully,
